LAO Board - No Solicitation Policy

The LAO Board has adopted a No Solicitation policy that is intended to limit solicitation. There are signs posted at each entrance indicating "No Soliciting".

A request for solicitation must be submitted and approved by the LAO Board of Directors prior to any commercial or non-exempted organization conducting activity. Requests must be submitted in writing to our mailing address outlining the organization, purpose, and individuals requested authorization. Any approval will be granted with a current LAO Board letterhead and Board of Directors contact information.

EXCEPTIONS: The No Solicitation policy is not intended to apply to programs that our resident youths are involved in. Examples include all PCR-3 sponsored fund raisers, Boy Scouts, Girl Scouts, local church and youth athletic program fund raisers, etc.
